

MEIJI UNIVERSITY

Short-term Japanese Language Program Summer 2024

Meiji University, celebrating its 143rd anniversary in 2024, is a comprehensive university which has received high reputation from home and abroad as one of the "Tokyo Six Universities". Currently, more than 33,000 students, including approximately 1,800 international students, study at the university's ten faculties.

The Japanese Language Education Center will offer a 2-week short-term Japanese language program in July 2024. This program includes not only Japanese language study, but also project work, exchange activities with Meiji University students, Japanese cultural experiences and interaction with senior international students. The program is designed to not only allow you to experience real Japanese and Japan, but also to interact with international students from many countries and providing an opportunity to broaden your perspective.

Why not come to Meiji University, located here in the heart of Tokyo, to touch with real Japanese and make lots of friends. A new experience in Japan awaits you!

Voices of previous participants

Being able to make friends from various countries at the same time as studying Japanese.

サポーターたちと二週間毎日会えるから、友達を作る可能性があるのは魅力的なポイントです!

I become friends with the supporters and my classmates. The opportunity to know local Japanese people is very precious.

それは私に日本語を教えてくれただけでなく、私に知らない国と社会での生活のしかたを学ばせてくれました。この貴重な体験は、私は一生忘れないと思います。

The whole experience was balanced with not only language courses, but also the project work we worked on everyday and the trips to Kamakura and the anime exhibition!
